

Oil Spill - Procedure

In the case of an oil spill/hydraulic oil spill, the party responsible for the spill is required to clean up the site of the spill and dispose of all materials at a Department of Environment approved site. Redemption Centre owners/managers should advise the Department of Environment of any clean-up activity by calling one of our local regional offices as listed below:

Department of Environment Regional Offices:

Region 1 – Bathurst

Telephone: (506) 547-2092

Fax: (506) 547-7655
