

IMPORTANT NOTICE NEW PROCEDURE FOR REDEMPTION CENTRES AND TRUCK DRIVERS

Labelling bulk bags containing plastic bags to be recycled

- From now on, bulk bags carrying plastic bags to be recycled must be identified at the redemption centre by the addition of Encorp's yellow label.
- As for containers, three types of information should be included:
 - 1) Centre Number = BC _____
 - 2) Sort Number = 30
 - 3) Quantity = 1
- Truck drivers responsible for picking up these bulk bags must scan the barcode of each label and enter the three pieces of information requested.
