

NOTICE: HOW TO PROPERLY USE BULK BAGS FOR BEVERAGE CONTAINERS

- ✓ Bulk bags are to be used for storing and shipping deposit-bearing beverage containers.
- ✓ Bulk bags should not be overfilled or underfilled.
- ✓ To expedite the shipping process, make sure to attach a tag to each bulk bag's handle.
- ✓ To ensure proper payment, correctly fill out each tag. Make sure your handwriting is clear and legible.

Please note that drivers follow instructions provided by Encorp, and are advised not to pick up:

- Bags that are not Encorp bulk bags.
- Bulk bags that are not tagged with an Encorp tag.
- Bulk bags which are ridiculously underfilled.
- Glass (sorts #2 and #4) bulk bags which are clearly filled with containers that are not deposit-bearing (house wines, jam jars, pickle jars, etc.).
