

NOTICE: SHOW YOUR REDEMPTION CENTRE'S BARCODE TO DRIVERS

To expedite bulk bag pick up and prevent manual data entry errors, Encorp provides each New Brunswick redemption centre with a unique barcode ID.

The barcode is linked to and identifies your redemption centre's BC number. Drivers are instructed to scan the barcode when they arrive in your loading area to pick up filled bulk bags from your redemption centre. This ensures all bulk bags will be accounted for and paid to your centre by Encorp.

Example:

- Make sure your barcode is displayed in your loading area in a highly visible and easily accessible location for drivers.
- If you lose your barcode, contact Encorp as soon as possible to get a replacement.
