Product examples – pages 62-105

Product not listed?

This document is intended to be a handy reference tool for redemption centres and it will continue to be updated on a regular basis. It contains examples of beverage products affected by changes to the Exclusion Policy for the NB Beverage Containers Program as of April 1, 2020. This document is by no means an all-inclusive list.

If you are unsure about a certain beverage product, send us a photo (info@encorpatl.ca) and we will respond as well as include the product as an example in this document.
