

Is It Deposit-Bearing?

Please take note of the following beverage products for which we often receive inquiries.

Veggemo
Veggie Based Non-Dairy Beverage

- This beverage is a plant-based milk alternative.
- The product is labelled as “fortified” and “not a source of protein.”
- For plant-based beverages, only those that are both fortified and a source of protein are excluded.
- Although this plant-based beverage is fortified, it is NOT a source of protein and is therefore deposit-bearing

ICEE Slush

- This beverage is a frozen drink.
- The label does not indicate that this beverage needs to be mixed or diluted to be consumed. It is therefore a ready-to-drink beverage.
- Ready-to-drink frozen beverages are included in the program.
- This beverage is deposit-bearing

Fairlife Core Power
High Protein Milk Shake

- This beverage is labelled as a protein shake & nutritional supplement.
- Sports & diet/nutritional supplement drinks are included in the program so long as they are not labelled as a “Meal Replacement” or a “Formulated Liquid Diet.”
- This beverage is deposit-bearing.

Silk
Soy Beverage

- This beverage is a plant-based milk alternative.
- The product is labelled as “fortified”, and it is not labelled as “not a source of protein.”
- Plant-based milk alternatives that are fortified & a source of protein are excluded from the program.
- No deposit is charged.

Minute Maid
Frozen Concentrate

- The beverage is a frozen concentrate labelled as needing to be mixed in/diluted before drinking. It is therefore a concentrated beverage.
- All concentrated beverages are excluded from the program.
- No deposit is charged.

Fairlife
Ultrafiltered Milk

- The beverages are labelled as Ultrafiltered (0%, 2%, or 3,25% M.F.).
- Cow’s milk, including ultrafiltered milk, is considered an essential nutritional product and is excluded from the program.
- No deposit is charged.
