

HOW TO SORT & BULK DEPOSIT-BEARING BEVERAGE CONTAINERS

CARTONS

28

Refund to your customers: Carton containers - regardless of size and alcohol/non-alcohol content - are worth a 10-cent refund.

Mix in all carton alcohol and non-alcohol containers, including polycoats (gable top, Tetra, etc.) and wine boxes (bag in a box). Fill to the line.

Attach completed tag to black handle.

Properly close bag.

Affix *EnSys-Connex* POS shipping label to Encorp green tag. If no access to printer, manually fill out the tag.

FOR WINE BOXES - REMEMBER TO REMOVE BLADDERS!

- Bladders must be removed from wine boxes. Place the bladders in any sort/SKU 11 bulk bag ("ALL OTHER PLASTICS/POUCHES"). **COUNT ALL** bladders as part of any total unit counts.
- Flatten wine boxes and place them in the sort/SKU 28 ("CARTONS") bulk bag along with all other carton containers from this sort/SKU. However, **DO NOT COUNT** wine boxes as part of any total unit counts.

This bulk bag gets picked up by Label Construction & Sanitation (902-894-4666).

Drivers follow instructions provided by Encorp, and are advised not to pick up:

- Bags that are not Encorp bulk bags.
- Bulk bags that are not tagged with an Encorp tag.
- Bulk bags that are unreasonably overfilled or underfilled.
